 Giant Pumpkin Drop ..... Immediately following race

New this year,  
**X Games athletes** will perform high-speed and action-packed stunts every hour. Stick around for a meet 'n greet & virtual reality experience.

Visit the Cosumnes Fire Department at the festival to decorate a pumpkin and then watch it **SPLAT** when firefighters drop it from a 3-story tower!

Giant pumpkins will be carved into boats and raced across the lake. The 600- to 1,000- pound pumpkin shells are surprisingly seaworthy, but difficult to steer! Cheer on the brave paddlers starting at noon on Sunday.
