## Allergy Awareness

Any parent of a child with an allergy to peanuts, nuts, or other foods should contact the Cosumnes CSD administration office and the Summer Club Staff to discuss, prepare, and implement a Food Allergy Accommodation Plan or other reasonable accommodations. A Food Allergy Accommodation Plan is designed to comply with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973.

Several children in our program have severe allergies to peanuts and nuts. In order to maintain their safety and lower the risk of exposure to these food allergens, we will make every effort to strive to be food allergy conscious.

***The safety and wellbeing of each child is our top priority.***

Please keep this mind when preparing or purchasing snack. Please check the labels of any snack items brought to the program that include similar statements:

- *may contain peanuts and/or tree nuts*

## **BEHAVIORAL ISSUES**

Behavioral issues will be dealt with on an individual basis. Although hitting, biting, or other types of exhibited aggressive behavior are not unheard for preschool age children, it cannot be tolerated in a preschool setting, as the safety of all children in our program is our top priority.

It may be determined with input from the Sammy's Summer Club staff, Recreation Coordinator, and/or

Recreation Supervisor that it is in the best interest of the program to drop a child due to any type of aggression and/or certain behavioral issues. Our goal is for every child to benefit from participating in our program. When one child, or all the children, are not benefiting from the program due to one child's aggressive behavior, that child will be dropped from the program. Sammy's Summer Club is committed to providing a safe place for all participants and staff. Sammy's Summer Club reserves the right to drop a participant at any time for physical aggression or any other behavior that is determined to be unsafe to other children. Every child has the right to attend our program feeling safe and accepted as an individual. Summer Club Staff will inform the parent of the child who exhibits challenging behavior and will work toward helping the child succeed in the program. Due to participant confidentiality, Staff will only discuss with parents, the behavior of their own child.

### **Behavior Report Guidelines:**

1. When Sammy's Summer Club Staff fills out a Behavior Report, you and your child will be asked to sign it. Refusal to sign the Behavior Report by the parent/guardian or child will result in the child's immediate dismissal from Sammy's Summer Club program.
2. **Upon receipt of your child's 2<sup>nd</sup> Behavior Report, the parent/guardian must attend a parent/guardian conference** with the program Supervisor to determine a behavior action plan for the child. The child should not be present at this conference. The child will be suspended from Sammy's Summer Club for the following scheduled attendance day and may not return to Sammy's Summer Club until a parent/guardian conference has been scheduled. Refunds will not be available. Refusal by a parent to participate in a conference will result in a child's permanent expulsion from all Summer Club programs.
3. **Upon receipt of the child's 3<sup>rd</sup> Behavior Report, the child will be suspended** from Sammy's Summer Club for the following scheduled attendance day. Refunds will be not be available.
4. ***Upon receipt of the child's 4<sup>th</sup> Behavior Report, during a twelve-month period,*** the child will be expelled from all Summer Club programs for one full calendar year.
5. After one year has passed, the parent/guardian may schedule an appointment with the Sammy's Summer Club Supervisor to evaluate re-admittance of the child.

**\*Sammy's Summer Club reserves the right to suspend or expel a participant at any time. Expulsion from the program will continue for a minimum of one full calendar year from the original date of expulsion.**

If a child is suspended or expelled from Sammy's Summer Club program, your child may be sent home during program hours and you may be called to pick up your child from the site within 60 minutes. **After 60 minutes, you will be charged \$1 per minute until your child is picked up.**

Signs and maps are posted at the school sites, describing the pesticides to be used, the location within the park where the application will be made, and the active ingredients contained in the pesticide, at least 24 hours prior to the application and such sign will remain posted at least 72 hours after the application. If you also prefer to be notified by e-mail at least 72 hours prior to the application during this current school year, please call the Park Maintenance Hotline at (916) 405-5688 and request to be contacted regarding school site pesticide application notification.
